SoUL is a voluntary student organization whose main motto is to teach English to unprivileged kids who live in Balmandir. The volunteers not only teach English, but also conduct drives such as cloth drives, book drives, temple drives, and food drives. In cloth drive, we collect clothes from the privileged ones and donate them to the people who live in tents by roadsides. As an NGO we don't ask for donations, instead, we raise the funding by conducting food drives during the fests. In exchange for food, we collect money and use the raised money for the expenditure of the kids in Balmandir. Due to the outbreak of the pandemic, the members were unable to conduct sessions. But even during the pandemic, enthusiastic volunteers started E-Learning Sessions to continue the path of learning for kids. The SoUL volunteers organize SoUL Day every year which includes various events such as workshops, literary, cultural, and sports. This day is celebrated as a remark of success where all the little kids learn many new things and enjoy a lot. Apart from drives and teaching we also aim to give a homely feeling to kids by celebrating festivals with them as they live away from their families. This is the only organization of our college that tends to work selflessly for the betterment of the needful group of the society.
