SoUL

SoUL is a voluntary student organisation which was formed by a group of students on 9th February 2014 with the tagline: "Educating minds, Empowering lives"

VISION

To recognise and nurture the talents of young in need. Provide English education to survive in this competitive world. To create moments of happiness and bring smiles on young faces.

MOTTO

The main motto is to teach the kids with basic English required. The organization was registered by the government in 2018.

SoUL HISTORY

In 2013, Keerthesh and his friends were thinking that they were very much privileged and we're getting all the basic needs, so they thought of giving back to the society in any other form.

At that time, they came up with an idea of starting an organization. So, they established an organization called SoUL (So U Learn)

The first ever session was done on Feb 9th ,2014 with a crew of 9 members.

The organisation teaches the kids of Balamandir, every Sunday and it also organises SoUL Day every year as a part of educational entertainment for kids and drives are conducted as a part of social awareness.
